Science NECAP's - Grade 8

As was previously mentioned, grade 8 students will be participating in the science NECAP assessments on Monday, Tuesday, and Thursday of next week. Please talk with your child about the importance of doing their very best on this assessment.

SurveyWorks!

Attached you will find a consent form for your child to participate in SurveyWorks. The SurveyWorks program replaces the SALT Survey program that you might remember. In addition to attaching an electronic copy of the consent form to this email, all students will be given a paper copy to take home today. Please review the consent form carefully.

The Last Dance - May 21, 2010

Please find attached a permission form for the last all school dance of the year. Students can purchase tickets for the dance beginning on Monday.
